1 Section 1. a) The several amounts specified in this chapter for aid to
2 localities, or so much thereof as shall be sufficient to accomplish the
3 purposes designated by the appropriations, are hereby appropriated and
4 authorized to be paid as hereinafter provided, to the respective public
5 officers and for the several purposes specified.

6 b) Where applicable, appropriations made by this chapter for expendi-
7 tures from federal grants for aid to localities may be allocated for
8 spending from federal grants for any grant period beginning, during, or
9 prior to, the state fiscal year beginning on April 1, 2024 except as
10 otherwise noted.

11 c) The several amounts named herein, or so much thereof as shall be
12 sufficient to accomplish the purpose designated, being the undisbursed
13 and/or unexpended balances of the prior year's appropriations, are here-
14 by reappropriated from the same funds and made available for the same
15 purposes as the prior year's appropriations, unless herein amended, for
16 the fiscal year beginning April 1, 2024. Certain reappropriations in
17 this chapter are shown using abbreviated text, with three leader dots
18 (an ellipsis) followed by three spaces (...) used to indicate where
19 existing law that is being continued is not shown. However, unless a
20 change is clearly indicated by the use of brackets [] for deletions and
21 underscores for additions, the purposes, amounts, funding source and all
22 other aspects pertinent to each item of appropriation shall be as last
23 appropriated.

24 For the purpose of complying with the state finance law, the year,

33 e) Notwithstanding any provision of law to the contrary, for purposes

35 an amount net of refunds, rebates, reimbursements, credits, repayments,
36 and/or disallowances, "refunds" shall mean funds received to the state
37 resulting from the overpayment of monies, "rebates" shall mean funds

5 an equivalent amount for goods or services, including but not limited to
6 personal service costs, incurred by the state in the first instance
7 being provided to a third party for their benefit and partially or in

12 expenses incurred, and "disallowance" shall mean monies made available
13 to the state that were not allowed or accepted officially by the
14 intended recipient, based on a determination the payment is not accepta-
15 ble and/or valid. When the office of the state comptroller receives any
16 such refunds, rebates, reimbursements, credits, repayments, and/or
17 disallowances, he or she shall credit the refunded, rebated, reimbursed,
18 credited, repaid, and disallowed amount back to the original appropri-
19 ation and reduce expenditures in the year which such credit is received
20 regardless of the timing of the initial expenditure.

21 f) Notwithstanding any provision of law to the contrary, upon enact-
22 ment of this chapter of the laws of 2024 containing the aid to locali-
23 ties budget bill for the state fiscal year 2024-2025, all appropriations

1 The appropriation made by chapter 53, section 1, of the laws of 2021, as
2 amended by chapter 53, section 1, of the laws of 2023, is hereby
3 amended and reappropriated to read:

4 For support of elementary and secondary education from the elementary
5 and secondary school emergency relief fund, as funded by the American
6 rescue plan act of 2021 (P.L. 117-2) providing support for
7 elementary and/or secondary education in response to the COVID-19
8 public health emergency.

9 Notwithstanding any provision of law to the contrary, funds not other-
10 wise allocated to local educational agencies pursuant to section
11 2001(d)(1) of the American rescue plan act of 2021 shall be allo-
12 cated as follows, pursuant to a plan developed by the commissioner
13 of education and approved by the director of the budget:

14 (i) \$629,214,659 for learning loss grants to eligible school districts
15 to implement (1) evidence-based activities to address learning loss,
16 such as summer learning or summer enrichment, extended day, compre-
17 hensive after-school programs, or extended school year programs; (2)
18 evidence-based summer enrichment programs; and (3) evidence-based
19 comprehensive after-school programs; provided that such activities
20 shall respond to students' academic, social, and emotional needs and
21 address the disproportionate impact of the coronavirus on the
22 student subgroups described in section 1111(b)(2)(B)(xi) of the
23 elementary and secondary education act of 1965, students experienc-
24 ing homelessness, and children and youth in foster care.

25 Provided that, notwithstanding any provision of law to the contrary,
26 for the 2021-22 school year, eligible school districts shall receive
27 learning loss grants in aid equal to the positive difference, if
28 any, of the base ARPA allocation less 90 percent of the funds from
29 the elementary and secondary school emergency relief fund made
30 available to school districts pursuant to the American rescue plan
31 act of 2021, but not less than \$700,000, and not more than
32 \$10,000,000 or 10 percent of the total expenditures from the
33 district's general fund for the 2020-21 school year, whichever is

37 pursuant to the American rescue plan act of 2021 shall not be eligi-
38 ble for these grants. Such grant funds shall remain available for
39 obligation by such school districts until the deadline therefor
40 prescribed in federal law. Provided further that, for purposes of
41 this appropriation:

42 (1) The "base ARPA allocation" shall be equal to the product of the
43 adjusted per pupil amount multiplied by public school district
44 enrollment for the base year as computed pursuant to paragraph n of
45 subdivision 1 of section 3602 of education law.

46 The "adjusted per pupil amount" shall be equal to the product of (a)
47 \$4,550.26 multiplied by (b) the regional cost index calculated in
48 2018, reflecting an analysis of labor market costs based on median
49 salaries in professional occupations that require similar creden-
50 tials to those of positions in the education field, but not includ-

52 modified EN index, and multiplied by (d) the learning loss wealth
53 factor.

54 (2) The "learning loss wealth factor" shall be equal to the positive
55 difference, if any, of 0.75 less the product of 0.5 multiplied by
56 the combined wealth ratio computed pursuant to subparagraph 1 of
57 paragraph c of subdivision 3 of section 3602 of education law.

58 (3) The "modified EN index" shall be equal to the modified EN percent
59 divided by the statewide average modified EN percent, provided that

4 (5) The "modified EN count" shall equal the sum of (a) the product of
5 0.5 multiplied by the English language learner count computed pursu-

7 law, plus (b) the sparsity count computed pursuant to paragraph r of
8 subdivision 1 of section 3602 of education law, plus (c) the product
9 of 0.65 multiplied by the 3-year average small area income and
10 poverty estimate rate computed pursuant to paragraph mm of subdivi-
11 sion 1 of section 3602 of education law and multiplied further by
12 public school district enrollment for the base year as computed
13 pursuant to paragraph n of subdivision 1 of section 3602 of educa-
14 tion law, plus (d) the product of 0.65 multiplied by the 3-year

17 multiplied further by public school district enrollment for the base
18 year as computed pursuant to paragraph n of subdivision 1 of section

25 learning loss by supporting the implementation of evidence-based
26 interventions, such as summer learning or summer enrichment,

29 respond to students' academic, social, and emotional needs and
30 address the disproportionate impact of the coronavirus on low-income
31 students, children with disabilities, English learners, migrant
32 students, students experiencing homelessness, and children in foster

50 equal to the positive difference of (1) the product of 0.3504 and
51 unserved 4-year-old prekindergarten pupils calculated pursuant to
52 subparagraph iv of paragraph b of subdivision 10 of section 3602-e
53 of education law less (2) the sum of (a) full day 4-year-old prekin-
54 dergarten pupils served in the 2019-20 school year served pursuant
55 to section 3602-e of education law plus (b) students served in full-
56 day prekindergarten programs funded by grants pursuant to section
57 3602-ee of education law in the 2019-20 school year. If such prelim-

59 such preliminary slot count is greater than or equal to 10 but less
60 than 20, the expansion slots shall be 20; for all other eligible

39 and approved by the director of the budget, provided further that

5 of foster care services including care,
6 maintenance, supervision, and tuition; for
7 supervision of foster children placed in

16 including kinship guardianship assistance
17 payments and payments for non-recurring
18 guardianship expenses and eligible expendi-
19 tures associated with local compliance
20 with the federal Family First Prevention
21 Services Act (P.L. 115-123); except that,
22 reimbursement from the amount appropriated
23 herein shall not be available for tuition
24 expenditures for foster children, includ-
25 ing persons in need of supervision and
26 adjudicated juvenile delinquents, made by
27 a social services district located within
28 a city having a population of one million
29 or more.

30 Notwithstanding any other provision of law,
31 a portion of the funds are available to
32 reimburse social services districts for
33 the change in the maximum state aid rates
34 established by the office of children and
35 family services for the 2024-25 rate year
36 pursuant to section 398-a of the social
37 services law and sections 4003 and 4405 of
38 the education law to reflect the continua-
39 tion of the cost of living adjustments
40 that became effective April 1, 2008 for
41 payments made to foster parents and for
42 salary and fringe benefit costs and other
43 critical nonpersonal services costs for
44 foster care programs as determined by the
45 office. Social services districts must
46 adjust the amount of payments made for
47 care provided by congregate care and
48 foster boarding home programs and to
49 foster parents to reflect the cost of
50 living adjustments in the manner specified
51 by the office. Each authorized agency

54 for which the office sets a maximum state
55 aid rate pursuant to section 398-a of the
56 social services law or section 4003 or
57 4405 of the education law shall submit, at
58 the time and in a manner to be determined
59 by the office, a written certification,

1 ment to the maximum state aid rate that
2 became effective April 1, 2008 for that
3 program will be or were used solely in
4 accordance with the requirements of the
5 cost of living adjustment established by
6 the office.

7 Notwithstanding any inconsistent provision
8 of law including, but not limited to, any
9 chapter of the laws of 2024 which enacts a
10 cost of living adjustment for the state
11 fiscal year beginning on April 1, 2024,
12 the commissioner shall continue to apply
13 any cost of living adjustment increase in
14 effect on March 31, 2024 for the entire
15 rate year that began when such cost of
16 living adjustment increase was in effect.
17 Notwithstanding any inconsistent provision
18 of law, the commissioner shall apply a 1.5
19 percent cost of living adjustment for the
20 rate year that begins on July 1, 2024 for
21 the purposes of establishing rates of
22 payments, contractors, or any other form
23 of reimbursement, provided that this shall
24 not prevent the commissioner from applying
25 additional trend or staff retention
26 factors for this program.

27 Within the amounts appropriated herein,
28 state reimbursement to each social
29 services district for services identified
30 herein that are otherwise reimbursable by
31 the state from April 1, 2024 through March
32 31, 2025 shall be limited to a district
33 allocation, hereinafter referred to as the
34 district's block grant allocation.
35 Notwithstanding any other provision of
36 law, such block grant allocation shall be
37 based, in part, on each district's claims
38 for such costs, adjusted by the applicable
39 cost allocation methodology and net of any
40 retroactive payments for the 12 month
41 period ending June 30, 2024 that are
42 submitted on or before January 2, 2025
43 and, in part, on such other factors as
44 determined by the office of children and
45 family services and approved by the direc-
46 tor of the budget. Any portion of a social
47 services district's allocation from funds
48 appropriated herein not claimed by such
49 district during the state fiscal year may
50 be used by such district for expenditures
51 on preventive services provided pursuant
52 to section 409-a of the social services
53 law, independent living services and
54 aftercare services provided pursuant to
55 regulations of the department of family
56 assistance, claimed by such district
57 during the next state fiscal year up to
58 the amount remaining from the district's
59 foster care block grant allocation,
60 provided however, that any claims for such
61 services during the next state fiscal year

1 in excess of such amount shall be subject
2 to 62 percent state reimbursement exclu-
3 sive of any federal funds made available
4 for such purposes, in accordance with
5 directives of the department of family
6 assistance and subject to the approval of
7 the director of the budget. Any claims
8 submitted by a social services district
9 for reimbursement for a particular state
10 fiscal year for which the social services
11 district does not receive state or federal
12 reimbursement during that state fiscal
13 year may not be claimed against that
14 district's block grant apportionment for
15 the next state fiscal year.

16 The office of children and family services,
17 with the approval of the director of the
18 budget, may reduce a district's block
19 grant allocation by the state share
20 decrease related to federal retroactive
21 reimbursement for such foster care
22 services identified herein. The office,
23 with the approval of the director of the
24 budget, may reduce a district's block
25 grant allocation by the state share of
26 disallowances or sanctions taken against
27 the district pursuant to the social
28 services law or federal law.

29 Notwithstanding any other provision of law,
30 the state shall not be responsible for
31 reimbursing a social services district and
32 a district shall not seek state reimburse-
33 ment for any portion of any state disal-
34 lowance or sanction taken against the
35 social services district, or any federal
36 disallowance attributable to final federal
37 agency decisions or to settlement made, on
38 or after July 1, 1995, when such disallow-
39 ance or sanction results from the failure
40 of the social services district to comply
41 with federal or state requirements,
42 including, but not limited to, failure to
43 document eligibility for federal or state
44 funds in the case record; provided, howev-
45 er, if the office determines that any
46 federal disallowance for services provided
47 between January 1, 1999 and May 31, 1999
48 results solely from the late enactment of
49 the state legislation implementing the
50 federal adoption and safe families act,
51 the state shall be solely responsible for
52 the full amount of the disallowance or
53 sanction; provided, further, however, this
54 provision shall be deemed to apply both
55 prospectively and retroactively regardless
56 of whether such sanctions or disallowances
57 are for services provided or claims made
58 prior to or after April 1, 2024.

59 Notwithstanding any other provision of law,
60 any federal disallowance resulting from a
61 federal title IV-E eligibility review or

1 audit that uses extrapolated statistic
2 techniques shall be passed along by the
3 state to any and all social services
4 districts that the office of children and
5 family services has determined have not
6 complied with the title IV-E eligibility
7 requirements or have not taken the neces-
8 sary actions to ensure compliance with
9 such requirements including, but not
10 limited to, failing to: assess and fully
11 document all the criteria and have readily
12 available all the necessary documents to
13 establish and continue title IV-E eligi-
14 bility for all title IV-E eligible chil-
15 dren within the required time frames;
16 claim title IV-E funding only for cases
17 that meet all of the title IV-E eligibil-
18 ity criteria; and fully implement the
19 social services payment system on or
20 before April 1, 2005 for all direct and
21 voluntary agency foster care services.

22 Notwithstanding any law to the contrary, the
23 office of children and family services
24 shall impose on social services districts
25 any federal disallowance issued against
26 the state as a result of a federal title
27 IV-E secondary eligibility review regard-
28 less of the date the children may have
29 entered foster care, the date the eligi-
30 bility or payment errors occurred, or the
31 filing date of any federal claims for
32 reimbursement; provided, however, that the
33 state shall be responsible for the disal-
34 lowed costs and expenditures related to
35 the placement of children in a facility
36 operated by the office of children and
37 family services, which shall be determined
38 in the same manner as the disallowed costs
39 and expenditures for social services
40 districts other than the city of New York.
41 In order to reimburse the federal govern-
42 ment for the full amount of any disallow-
43 ance imposed on the state by the federal
44 administration for children and families
45 within the timeframes necessary to avoid
46 any potential interest payments on such
47 amount, the office of children and family
48 services is authorized to immediately
49 offset funds otherwise due to each
50 district for a pro rata share of the total
51 disallowed costs based on the percentage
52 of applicable federal title IV-E claims
53 made by that district for the relevant
54 time period as compared to the total
55 applicable statewide title IV-E claims.
56 The amount of the offset against each
57 district will be adjusted, if necessary,
58 upon completion of the disallowance allo-
59 cation process. The final allocation of
60 the amount of any federal disallowance
61 resulting from a title IV-E secondary

1 eligibility review shall be allocated
2 among the districts so that each district
3 shall be responsible for the amount
4 attributable to each of the district's
5 children or cases that are determined by
6 the federal review to be unallowable. Each
7 district shall also be responsible for a
8 portion of the federal extrapolated disal-
9 lowance amount based on the relative error
10 rate for the district. The city of New
11 York's error rate will be based on the
12 federal sample and federal statistics. For
13 all social services districts other than
14 the city of New York, the error rate will
15 be based on a review conducted by the
16 district of a sample of children and/or
17 cases determined by the office of children
18 and family services and a re-review of a
19 sub-sample by the office of those children
20 and/or cases determined by the office. The
21 office of children and family services
22 will determine what is reasonable in
23 establishing the size of the sample and
24 sub-sample for each district. The office
25 of children and family services shall
26 notify each social services district of
27 the sample of children and/or cases from
28 the federal audit period that the social
29 services district must review. Any child
30 or case from the social services district
31 that was included in the federal sample
32 will automatically be included in the
33 social services district's review sample
34 and the determination made at the federal
35 review regarding that child or case will
36 govern for the purposes of the social
37 services district's review. The social
38 services district must complete and submit
39 the results of its review to the office of
40 children and family services within 60
41 days of receipt of the sample. The error
42 rate for the district will be based on the
43 findings of the district's review and the
44 office of children and family services'
45 re-review. If a social services district
46 does not complete its review within 60
47 days of receiving the sample from the
48 office of children and family services,
49 the office of children and family services
50 shall assign an error rate to the social
51 services district based on the relative
52 percentage of the district's applicable
53 title IV-E claims for the relevant period
54 as compared to applicable statewide title
55 IV-E claims for that period and other
56 circumstances that the office of children
57 and family services may consider in order
58 to allocate 100 percent of the federal
59 disallowance. The office of children and
60 family services shall apply each social
61 services district's error rate to the

1 total amount of the district's applicable
2 title IV-E claims including associated
3 administrative expenses. The resulting
4 dollar amounts for all of the social
5 services districts will be summed to
6 derive the total amount of title IV-E
7 claims deemed to be in error statewide. To
8 establish a disallowance percentage for
9 each social services district, the amount
10 of the district's title IV-E claims deemed
11 to be in error will be divided by the
12 amount of statewide title IV-E claims
13 deemed to be in error. The resulting
14 disallowance percentage for each district
15 will be applied to the entire title IV-E
16 extrapolated disallowance calculated by
17 the federal review to determine the amount
18 of the extrapolated disallowance for which
19 the district is responsible. Each district
20 will be credited for the amount already

11 block grant for child care and the regulations of the office of
12 children and family services. Notwithstanding any other provision of
13 law, each district's claims submitted under the state block grant
14 for child care will be processed in a manner that maximizes the
15 availability of federal funds and ensures that the district meets
16 its maintenance of effort requirement in each applicable federal

28 continue existing programs with existing contractors that are satis-
29 factorily performing as determined by the office of children and

31 tions to continue programs where the existing contractors are not
32 satisfactorily performing as determined by the office of children
33 and family services and/or to award new contracts to not-for-profit
34 organizations through a competitive process.

35 Of the amounts appropriated herein, up to \$6,125,000 may be available
36 for services and expenses for the operation and coordination of
37 legally exempt enrollment agencies located in the city of New York.
38 Such funds are to be available pursuant to a plan prepared by the

40 of the budget to continue existing programs with existing contrac-
41 tors that are satisfactorily performing as determined by the office
42 of children and family services, to award new contracts to not-for-
43 profit organizations to continue programs where the existing
44 contractors are not satisfactorily performing as determined by the
45 office of children and family services and/or to award new contracts
46 to not-for-profit organizations through a competitive process.

47 Of the amounts appropriated herein, up to \$1,100,000 may be available
48 for services and expenses for the operation of infant/toddler
49 resource centers. Such funds are to be available pursuant to a plan
50 prepared by the office of children and family services and approved

13 By chapter 53, section 1, of the laws of 2023:

14 Notwithstanding any inconsistent provision of law, the amount
15 appropriated herein, shall be available under a foster care block
16 grant for state reimbursement of eligible social services district
17 expenditures for the provision and administration of foster care
18 services including care, maintenance, supervision, and tuition; for
19 supervision of foster children placed in federally funded job corps
20 programs; for care, maintenance, supervision, and tuition for
21 adjudicated juvenile delinquents placed in residential programs
22 operated by authorized agencies and in out-of-state residential
23 programs; for the provision and administration of the kinship
24 guardian assistance program including kinship guardianship
25 assistance payments and payments for non-recurring guardianship
26 expenses and eligible expenditures associated with local compliance
27 with the federal Family First Prevention Services Act (P.L. 115-
28 123); except that, reimbursement from the amount appropriated herein
29 shall not be available for tuition expenditures for foster children,
30 including persons in need of supervision and adjudicated juvenile
31 delinquents, made by a social services district located within a
32 city having a population of one million or more.

33 Notwithstanding any other provision of law, a portion of the funds are
34 available to reimburse social services districts for the change in
35 the maximum state aid rates established by the office of children
36 and family services for the 2023-24 rate year pursuant to section
37 398-a of the social services law and sections 4003 and 4405 of the
38 education law to reflect the continuation of the cost of living
39 adjustments that became effective April 1, 2008 for payments made to
40 foster parents and for salary and fringe benefit costs and other
41 critical nonpersonal services costs for foster care programs as
42 determined by the office. Social services districts must adjust the
43 amount of payments made for care provided by congregate care and
44 foster boarding home programs and to foster parents to reflect the
45 cost of living adjustments in the manner specified by the office.
46 Each authorized agency operating a congregate care or foster
47 boarding home program in New York state for which the office sets a
48 maximum state aid rate pursuant to section 398-a of the social
49 services law or section 4003 or 4405 of the education law shall
50 submit, at the time and in a manner to be determined by the office,
51 a written certification, attesting that the funds received for the
52 continuation of the cost of living adjustment to the maximum state
53 aid rate that became effective April 1, 2008 for that program will
54 be or were used solely in accordance with the requirements of the
55 cost of living adjustment established by the office.

56 Notwithstanding any inconsistent provision of law except a chapter of
57 the laws of 2023 authorizing a 4.0 percent cost of living adjustment
58 increase for the period commencing on April 1, 2023 and ending March
59 31, 2024, the commissioner shall not apply any other cost of living
60 adjustment for the purpose of establishing rates of payments,
61 contracts or any other form of reimbursement, provided that this

1 shall not prevent the commissioner from applying additional trend or
2 staff retention factors for this program.

3 Within the amounts appropriated herein, state reimbursement to each
4 social services district for services identified herein that are
5 otherwise reimbursable by the state from April 1, 2023 through March
6 31, 2024 shall be limited to a district allocation, hereinafter
7 referred to as the district's block grant allocation.
8 Notwithstanding any other provision of law, such block grant
9 allocation shall be based, in part, on each district's claims for
10 such costs, adjusted by the applicable cost allocation methodology
11 and net of any retroactive payments for the 12 month period ending
12 June 30, 2022 that are submitted on or before January 2, 2023 and,
13 in part, on such other factors as determined by the office of
14 children and family services and approved by the director of the
15 budget. Any portion of a social services district's allocation from
16 funds appropriated herein not claimed by such district during the
17 state fiscal year may be used by such district for expenditures on
18 preventive services provided pursuant to section 409-a of the social
19 services law, independent living services and aftercare services
20 provided pursuant to regulations of the department of family
21 assistance, claimed by such district during the next state fiscal
22 year up to the amount remaining from the district's foster care
23 block grant allocation, provided however, that any claims for such
24 services during the next state fiscal year in excess of such amount
25 shall be subject to 62 percent state reimbursement exclusive of any
26 federal funds made available for such purposes, in accordance with
27 directives of the department of family assistance and subject to the
28 approval of the director of the budget. Any claims submitted by a
29 social services district for reimbursement for a particular state
30 fiscal year for which the social services district does not receive
31 state or federal reimbursement during that state fiscal year may not
32 be claimed against that district's block grant apportionment for the
33 next state fiscal year.

34 The office of children and family services, with the approval of the
35 director of the budget, may reduce a district's block grant
36 allocation by the state share decrease related to federal
37 retroactive reimbursement for such foster care services identified
38 herein. The office, with the approval of the director of the budget,
39 may reduce a district's block grant allocation by the state share of
40 disallowances or sanctions taken against the district pursuant to
41 the social services law or federal law.

42 Notwithstanding any other provision of law, the state shall not be
43 responsible for reimbursing a social services district and a
44 district shall not seek state reimbursement for any portion of any
45 state disallowance or sanction taken against the social services
46 district, or any federal disallowance attributable to final federal
47 agency decisions or to settlement made, on or after July 1, 1995,
48 when such disallowance or sanction results from the failure of the
49 social services district to comply with federal or state
50 requirements, including, but not limited to, failure to document
51 eligibility for federal or state funds in the case record; provided,
52 however, if the office determines that any federal disallowance for
53 services provided between January 1, 1999 and May 31, 1999 results
54 solely from the late enactment of the state legislation implementing
55 the federal adoption and safe families act, the state shall be
56 solely responsible for the full amount of the disallowance or
57 sanction; provided, further, however, this provision shall be deemed
58 to apply both prospectively and retroactively regardless of whether
59 such sanctions or disallowances are for services provided or claims
60 made prior to or after April 1, 2023.

1 Notwithstanding any other provision of law, any federal disallowance
2 resulting from a federal title IV-E eligibility review or audit that
3 uses extrapolated statistic techniques shall be passed along by the
4 state to any and all social services districts that the office of
5 children and family services has determined have not complied with
6 the title IV-E eligibility requirements or have not taken the
7 necessary actions to ensure compliance with such requirements
8 including, but not limited to, failing to: assess and fully document
9 all the criteria and have readily available all the necessary
10 documents to establish and continue title IV-E eligibility for all
11 title IV-E eligible children within the required time frames; claim
12 title IV-E funding only for cases that meet all of the title IV-E
13 eligibility criteria; and fully implement the social services
14 payment system on or before April 1, 2005 for all direct and
15 voluntary agency foster care services.

16 Notwithstanding any law to the contrary, the office of children and
17 family services shall impose on social services districts any
18 federal disallowance issued against the state as a result of a
19 federal title IV-E secondary eligibility review regardless of the
20 date the children may have entered foster care, the date the
21 eligibility or payment errors occurred, or the filing date of any
22 federal claims for reimbursement; provided, however, that the state
23 shall be responsible for the disallowed costs and expenditures
24 related to the placement of children in a facility operated by the
25 office of children and family services, which shall be determined in
26 the same manner as the disallowed costs and expenditures for social
27 services districts other than the city of New York. In order to
28 reimburse the federal government for the full amount of any
29 disallowance imposed on the state by the federal administration for
30 children and families within the timeframes necessary to avoid any
31 potential interest payments on such amount, the office of children
32 and family services is authorized to immediately offset funds
33 otherwise due to each district for a pro rata share of the total
34 disallowed costs based on the percentage of applicable federal title
35 IV-E claims made by that district for the relevant time period as
36 compared to the total applicable statewide title IV-E claims. The
37 amount of the offset against each district will be adjusted, if
38 necessary, upon completion of the disallowance allocation process.
39 The final allocation of the amount of any federal disallowance
40 resulting from a title IV-E secondary eligibility review shall be
41 allocated among the districts so that each district shall be
42 responsible for the amount attributable to each of the district's
43 children or cases that are determined by the federal review to be
44 unallowable. Each district shall also be responsible for a portion
45 of the federal extrapolated disallowance amount based on the
46 relative error rate for the district. The city of New York's error
47 rate will be based on the federal sample and federal statistics. For
48 all social services districts other than the city of New York, the
49 error rate will be based on a review conducted by the district of a
50 sample of children and/or cases determined by the office of children
51 and family services and a re-review of a sub-sample by the office of
52 those children and/or cases determined by the office. The office of
53 children and family services will determine what is reasonable in
54 establishing the size of the sample and sub-sample for each
55 district. The office of children and family services shall notify
56 each social services district of the sample of children and/or cases
57 from the federal audit period that the social services district must
58 review. Any child or case from the social services district that was
59 included in the federal sample will automatically be included in the
60 social services district's review sample and the determination made
61 at the federal review regarding that child or case will govern for

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 the purposes of the social services district's review. The social
2 services district must complete and submit the results of its review
3 to the office of children and family services within 60 days of
4 receipt of the sample. The error rate for the district will be based
5 on the findings of the district's review and the office of children
6 and family services' re-review. If a social services district does
7 not complete its review within 60 days of receiving the sample from
8 the office of children and family services, the office of children
9 and family services shall assign an error rate to the social
10 services district based on the relative percentage of the district's
11 applicable title IV-E claims for the relevant period as compared to
12 applicable statewide title IV-E claims for that period and other
13 circumstances that the office of children and family services may
14 consider in order to allocate 100 percent of the federal
15 disallowance. The office of children and family services shall apply
16 each social services district's error rate to the total amount of
17 the district's applicable title IV-E claims including associated
18 administrative expenses. The resulting dollar amounts for all of the
19 social services districts will be summed to derive the total amount
20 of title IV-E claims deemed to be in error statewide. To establish a
21 disallowance percentage for each social services district, the
22 amount of the district's title IV-E claims deemed to be in error
23 will be divided by the amount of statewide title IV-E claims deemed
24 to be in error. The resulting disallowance percentage for each
25 district will be applied to the entire title IV-E extrapolated
26 disallowance calculated by the federal review to determine the
27 amount of the extrapolated disallowance for which the district is
28 responsible. Each district will be credited for the amount already
29 disallowed for any individual children or cases found to be in error
30 during the federal review. The exclusive appeal rights for the
31 review of the amount of the federal disallowance assigned to each
32 social services district shall be pursuant to article 78 of the
33 civil practice law and rules; provided, however, that in any such
34 action all of the social services districts shall be joined as
35 necessary parties and the venue of any such action shall be in
36 Rensselaer county. Any social services district that fails to
37 complete its sample review in the required time frames shall have no
38 right to appeal and shall not be a necessary party to any action
39 brought by another social services district.

40 The money hereby appropriated is to be available for payment of state
41 aid heretofore accrued or hereafter to accrue to municipalities.
42 Subject to the approval of the director of the budget, such funds
43 shall be available to the office net of disallowances, refunds,
44 reimbursements, and credits.

45 Notwithstanding any inconsistent provision of law, the amount herein
46 appropriated may be transferred to any other appropriation within
47 the office of children and family services and/or the office of
48 temporary and disability assistance and/or suballocated to the
49 office of temporary and disability assistance for the purpose of
50 paying local social services districts' costs of the above program
51 and may be increased or decreased by interchange with any other
52 appropriation or with any other item or items within the amounts
53 appropriated within the office of children and family services

21 or the state finance law, the office of children and family services
22 shall, on a quarterly basis, request that the office of temporary

1 Notwithstanding any inconsistent provision
2 of law and subject to the approval of the
3 director of budget, moneys hereby appro-
4 priated may be increased or decreased by
5 transfer or interchange between these
6 appropriated amounts and appropriations of
7 the medical assistance administration

10 programs. Funding authority from this
11 account used for state administration of
12 the medical assistance program may be
13 transferred to state operations appropri-
14 ations within the aforementioned programs
15 at amounts agreed upon by the commissioner
16 of health, and the New York state division
17 of the budget.

18 Notwithstanding section 40 of the state
19 finance law or any provision of law to the
20 contrary, subject to federal approval,
21 department of health state funds medicaid
22 spending, excluding payments for medical
23 services provided at state facilities

29 ated within the department of health, in
30 the aggregate, for the period April 1,
31 2024 through March 31, 2025, shall not
32 exceed \$31,284,010,000 except as provided
33 below provided, however, such aggregate
34 limits may be adjusted by the director of
35 the budget to account for any changes in
36 the New York state federal medical
37 assistance percentage amount established
38 pursuant to the federal social security
39 act, increases in provider revenues,
40 reductions in local social services
41 district payments for medical assistance

58 projected medicaid expenditures by catego-
59 ry of service and by geographic region, as
60 determined by the commissioner of health,
61 incurred both prior to and subsequent to
62 such assessment for each such period, and

DEPARTMENT OF HEALTH

1 if the director of the budget determines
2 that such expenditures are expected to
3 cause medicaid spending for such period to
4 exceed the aggregate limit specified here-
5 in for such period, the state medicaid
6 director, in consultation with the direc-
7 tor of the budget and the commissioner of
8 health, shall develop a medicaid savings
9 allocation adjustment to limit such spend-
10 ing to the aggregate limit specified here-
11 in for such period.

12 Such medicaid savings allocation adjustment
13 shall be designed, to reduce the expendi-
14 tures authorized by the appropriations
15 herein in compliance with the following
16 guidelines: (1) reductions shall be made
17 in compliance with applicable federal law,
18 including the provisions of the Patient
19 Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and
21 Education Reconciliation Act of 2010,
22 Public Law No. 111-152 (collectively
23 "Affordable Care Act") and any subsequent
24 amendments thereto or regulations promul-
25 gated thereunder; (2) reductions shall be
26 made in a manner that complies with the
27 state medicaid plan approved by the feder-
28 al centers for medicare and medicaid
29 services, provided, however, that the
30 commissioner of health is authorized to
31 submit any state plan amendment or seek
32 other federal approval, including waiver
33 authority, to implement the provisions of
34 the medicaid savings allocation adjustment
35 that meets the other criteria set forth
36 herein; (3) reductions shall be made in a
37 manner that maximizes federal financial
38 participation, to the extent practicable,
39 including any federal financial partic-
40 ipation that is available or is reasonably
41 expected to become available, in the
42 discretion of the commissioner, under the
43 Affordable Care Act; (4) reductions shall
44 be made uniformly among categories of
45 services and geographic regions of the
46 state, to the extent practicable, and
47 shall be made uniformly within a category
48 of service, to the extent practicable,
49 except where the commissioner determines
50 that there are sufficient grounds for
51 non-uniformity, including but not limited
52 to: the extent to which specific catego-
53 ries of services contributed to department
54 of health medicaid state funds spending in
55 excess of the limits specified herein; the
56 need to maintain safety net services in
57 underserved communities; or the potential
58 benefits of pursuing innovative payment
59 models contemplated by the Affordable Care
60 Act, in which case such grounds shall be
61 set forth in the medicaid savings allo-
62 cation adjustment; and (5) reductions

1 shall be made in a manner that does not
2 unnecessarily create administrative
3 burdens to medicaid applicants and recipi-
4 ents or providers.

5 The commissioner shall seek the input of the
6 legislature, as well as organizations
7 representing health care providers,
8 consumers, businesses, workers, health
9 insurers, and others with relevant exper-
10 tise, in developing such medicaid savings
11 allocation adjustment, to the extent that
12 all or part of such adjustment, in the
13 discretion of the commissioner, is likely
14 to have a material impact on the overall
15 medicaid program, particular categories of
16 service or particular geographic regions
17 of the state.

18 (a) The commissioner shall post the medicaid
19 savings allocation adjustment on the
20 department of health's website and shall
21 provide written copies of such adjustment
22 to the chairs of the senate finance and
23 the assembly ways and means committees at
24 least 30 days before the date on which
25 implementation is expected to begin.

26 (b) The commissioner may revise the medicaid
27 savings allocation adjustment subsequent
28 to the provisions of notice and prior to
29 implementation but needs to provide a new
30 notice pursuant to subparagraph (i) of
31 this paragraph only if the commissioner
32 determines, in his or her discretion, that
33 such revisions materially alter the
34 adjustment.

35 Notwithstanding the provisions of paragraphs
36 (a) and (b) of this subdivision, the
37 commissioner need not seek the input
38 described in paragraph (a) of this subdivi-
39 sion or provide notice pursuant to para-
40 graph (b) of this subdivision if, in the
41 discretion of the commissioner, expedited
42 development and implementation of a medi-
43 caid savings allocation adjustment is
44 necessary due to a public health emergen-
45 cy.

46 For purposes of this section, a public
47 health emergency is defined as: (i) a
48 disaster, natural or otherwise, that
49 significantly increases the immediate need
50 for health care personnel in an area of
51 the state; (ii) an event or condition that
52 creates a widespread risk of exposure to a
53 serious communicable disease, or the
54 potential for such widespread risk of
55 exposure; or (iii) any other event or
56 condition determined by the commissioner
57 to constitute an imminent threat to public
58 health.

59 Nothing in this paragraph shall be deemed to
60 prevent all or part of such medicaid
61 savings allocation adjustment from taking
62 effect retroactively to the extent permit-

27 The department of health shall prepare a
28 quarterly report that sets forth: (a)
29 known and projected department of health
30 medicaid expenditures as described in
31 subdivision (1) of this section, and

35 department of health state funds disburse-
36 ments in the enacted budget financial plan
37 pursuant to subdivision 3 of section 23 of
38 the state finance law, including spending
39 increases or decreases due to: enrollment

44 (b) the actions taken to implement any
45 medicaid savings allocation adjustment
46 implemented pursuant to subdivision (4) of
47 this section, including information
48 concerning the impact of such actions on
49 each category of service and each
50 geographic region of the state. Each such
51 quarterly report shall be provided to the
52 chairs of the senate finance and the
53 assembly ways and means committees and
54 shall be posted on the department of

 34 ing any payments which are not appropri-
 35 ated within the department of health, in
 36 the aggregate, for the period April 1,
 37 2024 through March 31, 2025, shall not
 38 exceed \$31,284,010,000 except as provided
 39 below provided, however, such aggregate
 40 limits may be adjusted by the director of
 41 the budget to account for any changes in
 42 the New York state federal medical
 43 assistance percentage amount established
 44 pursuant to the federal social security
 45 act, increases in provider revenues,
 46 reductions in local social services
 47 district payments for medical assistance
 48 administration, minimum wage increases,
 49 and beginning April 1, 2012 the opera-
 50 tional costs of the New York state medical
 51 indemnity fund, pursuant to chapter 59 of
 52 the laws of 2011, and state costs or
 53 savings from the essential plan program.
 54 Such projections may be adjusted by the
 55 director of the budget to account for
 56 increased or expedited department of
 57 health state funds medicaid expenditures
 58 as a result of a natural or other type of
 59 disaster, including a governmental decla-
 60 ration of emergency.

61 Notwithstanding any inconsistent provision
 62 of law to the contrary, the director of

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 the budget, in consultation with the
2 commissioner of health, is authorized to
3 reduce any appropriation under this
4 section other than other long term care
5 services by an amount of up to \$200
6 million, and is further authorized to take
7 any action necessary to implement such
8 reductions.

9 The director of the budget, in consultation
10 with the commissioner of health, shall
11 assess on a quarterly basis known and
12 projected medicaid expenditures by category
13 of service and by geographic region, as
14 defined by the commissioner, incurred both
15 prior to and subsequent to such assessment
16 for each such period, and if the director
17 of the budget determines that such expenditures
18 are expected to cause medicaid
19 spending for such period to exceed the
20 aggregate limit specified herein for such
21 period, the state medicaid director, in
22 consultation with the director of the
23 budget and the commissioner of health,
24 shall develop a medicaid savings allocation
25 adjustment to limit such spending
26 to the aggregate limit specified herein
27 for such period.

28 Such medicaid savings allocation adjustment
29 shall be designed, to reduce the expenditures
30 authorized by the appropriations
31 herein in compliance with the following
32 guidelines: (1) reductions shall be made
33 in compliance with applicable federal law,
34 including the provisions of the Patient
35 Protection and Affordable Care Act, Public
36 Law No. 111-148, and the Health Care and
37 Education Reconciliation Act of 2010,
38 Public Law No. 111-152 (collectively
39 "Affordable Care Act") and any subsequent
40 amendments thereto or regulations promulgated
41 thereunder; (2) reductions shall be
42 made in a manner that complies with the
43 state medicaid plan approved by the federal
44 centers for medicare and medicaid
45 services, provided, however, that the
46 commissioner of health is authorized to
47 submit any state plan amendment or seek
48 other federal approval, including waiver
49 authority, to implement the provisions of
50 the medicaid savings allocation adjustment
51 that meets the other criteria set forth
52 herein; (3) reductions shall be made in a
53 manner that maximizes federal financial
54 participation, to the extent practicable,
55 including any federal financial participation
56 that is available or is reasonably
57 expected to become available, in the
58 discretion of the commissioner, under the
59 Affordable Care Act; (4) reductions shall
60 be made uniformly among categories of
61 services and geographic regions of the
62 state, to the extent practicable, and

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 shall be made uniformly within a category
2 of service, to the extent practicable,
3 except where the commissioner determines
4 that there are sufficient grounds for
5 non-uniformity, including but not limited
6 to: the extent to which specific categories
7 of services contributed to department
8 of health medicaid state funds spending in
9 excess of the limits specified herein; the
10 need to maintain safety net services in
11 underserved communities; or the potential
12 benefits of pursuing innovative payment
13 models contemplated by the Affordable Care
14 Act, in which case such grounds shall be
15 set forth in the medicaid savings allocation
16 adjustment; and (5) reductions
17 shall be made in a manner that does not
18 unnecessarily create administrative
19 burdens to medicaid applicants and recipients
20 or providers.

21 The commissioner shall seek the input of the
22 legislature, as well as organizations
23 representing health care providers,
24 consumers, businesses, workers, health
25 insurers, and others with relevant expertise,
26 in developing such medicaid savings
27 allocation adjustment, to the extent that
28 all or part of such adjustment, in the
29 discretion of the commissioner, is likely
30 to have a material impact on the overall
31 medicaid program, particular categories of
32 service or particular geographic regions
33 of the state.

34 (a) The commissioner shall post the medicaid
35 savings allocation adjustment on the
36 department of health's website and shall
37 provide written copies of such adjustment
38 to the chairs of the senate finance and
39 the assembly ways and means committees at
40 least 30 days before the date on which
41 implementation is expected to begin.

42 (b) The commissioner may revise the medicaid
43 savings allocation adjustment subsequent
44 to the provisions of notice and prior to
45 implementation but needs to provide a new
46 notice pursuant to subparagraph (i) of
47 this paragraph only if the commissioner
48 determines, in his or her discretion, that
49 such revisions materially alter the
50 adjustment.

51 Notwithstanding the provisions of paragraphs
52 (a) and (b) of this subdivision, the
53 commissioner need not seek the input
54 described in paragraph (a) of this subdivision
55 or provide notice pursuant to paragraph
56 (b) of this subdivision if, in the
57 discretion of the commissioner, expedited
58 development and implementation of a medicaid
59 savings allocation adjustment is
60 necessary due to a public health emergency.
61

62 For purposes of this section, a public

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 health emergency is defined as: (i) a
2 disaster, natural or otherwise, that
3 significantly increases the immediate need
4 for health care personnel in an area of
5 the state; (ii) an event or condition that
6 creates a widespread risk of exposure to a
7 serious communicable disease, or the
8 potential for such widespread risk of
9 exposure; or (iii) any other event or
10 condition determined by the commissioner
11 to constitute an imminent threat to public
12 health.

13 Nothing in this paragraph shall be deemed to
14 prevent all or part of such medicaid
15 savings allocation adjustment from taking
16 effect retroactively to the extent permit-
17 ted by the federal centers for medicare
18 and medicaid services.

19 In accordance with the medicaid savings
20 allocation adjustment, the commissioner of
21 the department of health shall reduce
22 department of health state funds medicaid
23 spending by the amount of the projected
24 overspending through, actions including,
25 but not limited to modifying or suspending
26 reimbursement methods, including but not
27 limited to all fees, premium levels and
28 rates of payment, notwithstanding any
29 provision of law that sets a specific
30 amount or methodology for any such
31 payments or rates of payment; modifying or
32 discontinuing medicaid program benefits;
33 seeking all necessary federal approvals,
34 including, but not limited to waivers,
35 waiver amendments; and suspending time
36 frames for notice, approval or certifi-
37 cation of rate requirements, notwith-
38 standing any provision of law, rule or
39 regulation to the contrary, including but
40 not limited to sections 2807 and 3614 of
41 the public health law, section 18 of chap-
42 ter 2 of the laws of 1988, and 18 NYCRR
43 505.14(h).

44 The department of health shall prepare a
45 quarterly report that sets forth: (a)
46 known and projected department of health
47 medicaid expenditures as described in
48 subdivision (1) of this section, and
49 factors that could result in medicaid
50 disbursements for the relevant state
51 fiscal year to exceed the projected
52 department of health state funds disburse-
53 ments in the enacted budget financial plan
54 pursuant to subdivision 3 of section 23 of
55 the state finance law, including spending
56 increases or decreases due to: enrollment
57 fluctuations, rate changes, utilization
58 changes, MRT investments, and shift of
59 beneficiaries to managed care; and vari-
60 ations in offline medicaid payments; and
61 (b) the actions taken to implement any
62 medicaid savings allocation adjustment

DEPARTMENT OF HEALTH

4 exceed \$31,284,010,000 except as provided
5 below provided, however, such aggregate
6 limits may be adjusted by the director of
7 the budget to account for any changes in

15 beginning April 1, 2012 the operational
16 costs of the New York state medical indem-
17 nity fund, pursuant to chapter 59 of the
18 laws of 2011, and state costs or savings
19 from the essential plan program. Such
20 projections may be adjusted by the direc-
21 tor of the budget to account for increased
22 or expedited department of health state
23 funds medicaid expenditures as a result of
24 a natural or other type of disaster,
25 including a governmental declaration of
26 emergency.

27 The director of the budget, in consultation
28 with the commissioner of health, shall
29 assess on a quarterly basis known and
30 projected medicaid expenditures by category
31 of service and by geographic region, as
32 determined by the commissioner of health,
33 incurred both prior to and subsequent to
34 such assessment for each such period, and
35 if the director of the budget determines
36 that such expenditures are expected to
37 cause medicaid spending for such period to
38 exceed the aggregate limit specified here-
39 in for such period, the state medicaid
40 director, in consultation with the direc-
41 tor of the budget and the commissioner of
42 health, shall develop a medicaid savings

45 in for such period.

46 Such medicaid savings allocation adjustment
47 shall be designed, to reduce the expendi-

4 other federal approval, including waiver
5 authority, to implement the provisions of

7 that meets the other criteria set forth
8 herein; (3) reductions shall be made in a
9 manner that maximizes federal financial
10 participation, to the extent practicable,
11 including any federal financial partic-
12 ipation that is available or is reasonably
13 expected to become available, in the
14 discretion of the commissioner, under the
15 Affordable Care Act; (4) reductions shall
16 be made uniformly among categories of
17 services and geographic regions of the
18 state, to the extent practicable, and
19 shall be made uniformly within a category
20 of service, to the extent practicable,
21 except where the commissioner determines
22 that there are sufficient grounds for
23 non-uniformity, including but not limited
24 to: the extent to which specific catego-
25 ries of services contributed to department
26 of health medicaid state funds spending in
27 excess of the limits specified herein; the
28 need to maintain safety net services in
29 underserved communities; or the potential
30 benefits of pursuing innovative payment
31 models contemplated by the Affordable Care
32 Act, in which case such grounds shall be
33 set forth in the medicaid savings allo-
34 cation adjustment; and (5) reductions
35 shall be made in a manner that does not
36 unnecessarily create administrative
37 burdens to medicaid applicants and recipi-
38 ents or providers.

39 The commissioner shall seek the input of the
40 legislature, as well as organizations
41 representing health care providers,
42 consumers, businesses, workers, health
43 insurers, and others with relevant exper-
44 tise, in developing such medicaid savings
45 allocation adjustment, to the extent that
46 all or part of such adjustment, in the
47 discretion of the commissioner, is likely
48 to have a material impact on the overall
49 medicaid program, particular categories of
50 service or particular geographic regions
51 of the state.

52 (a) The commissioner shall post the medicaid
53 savings allocation adjustment on the
54 department of health's website and shall
55 provide written copies of such plan to the
56 chairs of the senate finance and the
57 assembly ways and means committees at
58 least 30 days before the date on which
59 implementation is expected to begin.

60 (b) The commissioner may revise the medicaid

1 implementation but needs to provide a new
2 notice pursuant to subparagraph (i) of
3 this paragraph only if the commissioner
4 determines, in his or her discretion, that
5 such revisions materially alter the plan.
6 Notwithstanding the provisions of paragraphs
7 (a) and (b) of this subdivision, the
8 commissioner need not seek the input
9 described in paragraph (a) of this subdivi-
10 sion or provide notice pursuant to para-
11 graph (b) of this subdivision if, in the
12 discretion of the commissioner, expedited
13 development and implementation of a medi-
14 caid savings allocation adjustment is
15 necessary due to a public health emergen-
16 cy.

17 For purposes of this section, a public
18 health emergency is defined as: (i) a
19 disaster, natural or otherwise, that
20 significantly increases the immediate need
21 for health care personnel in an area of
22 the state; (ii) an event or condition that
23 creates a widespread risk of exposure to a
24 serious communicable disease, or the
25 potential for such widespread risk of
26 exposure; or (iii) any other event or
27 condition determined by the commissioner
28 to constitute an imminent threat to public
29 health.

30 Nothing in this paragraph shall be deemed to
31 prevent all or part of such medicaid
32 savings allocation adjustment from taking
33 effect retroactively to the extent permit-
34 ted by the federal centers for medicare
35 and medicaid services.

36 In accordance with the medicaid savings
37 allocation adjustment, the commissioner of
38 the department of health shall reduce

49 medicaid program benefits; seeking all
50 necessary federal approvals, including,
51 but not limited to waivers, waiver amend-
52 ments; and suspending time frames for
53 notice, approval or certification of rate
54 requirements, notwithstanding any
55 provision of law, rule or regulation to
56 the contrary, including but not limited to
57 sections 2807 and 3614 of the public
58 health law, section 18 of chapter 2 of the
59 laws of 1988, and 18 NYCRR 505.14(h).

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 The director of the budget, in consultation with the commissioner of
2 health, shall assess on a quarterly basis known and projected
3 medicaid expenditures by category of service and by geographic
4 region, as determined by the commissioner of health, incurred both
5 prior to and subsequent to such assessment for each such period, and
6 if the director of the budget determines that such expenditures are
7 expected to cause medicaid spending for such period to exceed the
8 aggregate limit specified herein for such period, the state medicaid
9 director, in consultation with the director of the budget and the
10 commissioner of health, shall develop a medicaid savings allocation
11 adjustment to limit such spending to the aggregate limit specified
12 herein for such period.

13 Such medicaid savings allocation adjustment shall be designed, to
14 reduce the expenditures authorized by the appropriations herein in
15 compliance with the following guidelines: (1) reductions shall be
16 made in compliance with applicable federal law, including the
17 provisions of the Patient Protection and Affordable Care Act, Public
18 Law No. 111-148, and the Health Care and Education Reconciliation
19 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
20 Act") and any subsequent amendments thereto or regulations
21 promulgated thereunder; (2) reductions shall be made in a manner
22 that complies with the state medicaid plan approved by the federal
23 centers for medicare and medicaid services, provided, however, that
24 the commissioner of health is authorized to submit any state plan
25 amendment or seek other federal approval, including waiver
26 authority, to implement the provisions of the medicaid savings
27 allocation adjustment that meets the other criteria set forth
28 herein; (3) reductions shall be made in a manner that maximizes
29 federal financial participation, to the extent practicable,
30 including any federal financial participation that is available or
31 is reasonably expected to become available, in the discretion of the
32 commissioner, under the Affordable Care Act; (4) reductions shall be
33 made uniformly among categories of services and geographic regions
34 of the state, to the extent practicable, and shall be made uniformly
35 within a category of service, to the extent practicable, except
36 where the commissioner determines that there are sufficient grounds
37 for non-uniformity, including but not limited to: the extent to
38 which specific categories of services contributed to department of
39 health medicaid state funds spending in excess of the limits
40 specified herein; the need to maintain safety net services in
41 underserved communities; or the potential benefits of pursuing
42 innovative payment models contemplated by the Affordable Care Act,
43 in which case such grounds shall be set forth in the medicaid
44 savings allocation adjustment; and (5) reductions shall be made in a
45 manner that does not unnecessarily create administrative burdens to
46 medicaid applicants and recipients or providers.

47 The commissioner shall seek the input of the legislature, as well as
48 organizations representing health care providers, consumers,
49 businesses, workers, health insurers, and others with relevant
50 expertise, in developing such medicaid savings allocation
51 adjustment, to the extent that all or part of such adjustment, in
52 the discretion of the commissioner, is likely to have a material
53 impact on the overall medicaid program, particular categories of
54 service or particular geographic regions of the state.

55 (a) The commissioner shall post the medicaid savings allocation
56 adjustment on the department of health's website and shall provide
57 written copies of such adjustment to the chairs of the senate
58 finance and the assembly ways and means committees at least 30 days
59 before the date on which implementation is expected to begin.

60 (b) The commissioner may revise the medicaid savings allocation
61 adjustment subsequent to the provisions of notice and prior to
62 implementation but needs to provide a new notice pursuant to

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 subparagraph (i) of this paragraph only if the commissioner
2 determines, in his or her discretion, that such revisions materially
3 alter the adjustment.

4 Notwithstanding the provisions of paragraphs (a) and (b) of this
5 subdivision, the commissioner need not seek the input described in
6 paragraph (a) of this subdivision or provide notice pursuant to
7 paragraph (b) of this subdivision if, in the discretion of the
8 commissioner, expedited development and implementation of a medicaid
9 savings allocation adjustment is necessary due to a public health
10 emergency.

11 For purposes of this section, a public health emergency is defined as:
12 (i) a disaster, natural or otherwise, that significantly increases
13 the immediate need for health care personnel in an area of the
14 state; (ii) an event or condition that creates a widespread risk of
15 exposure to a serious communicable disease, or the potential for
16 such widespread risk of exposure; or (iii) any other event or
17 condition determined by the commissioner to constitute an imminent
18 threat to public health.

19 Nothing in this paragraph shall be deemed to prevent all or part of
20 such medicaid savings allocation adjustment from taking effect
21 retroactively to the extent permitted by the federal centers for
22 medicare and medicaid services.

23 In accordance with the medicaid savings allocation adjustment, the
24 commissioner of the department of health shall reduce department of
25 health state funds medicaid spending by the amount of the projected
26 overspending through, actions including, but not limited to
27 modifying or suspending reimbursement methods, including but not
28 limited to all fees, premium levels and rates of payment,
29 notwithstanding any provision of law that sets a specific amount or
30 methodology for any such payments or rates of payment; modifying
31 medicaid program benefits; seeking all necessary federal approvals,
32 including, but not limited to waivers, waiver amendments; and
33 suspending time frames for notice, approval or certification of rate
34 requirements, notwithstanding any provision of law, rule or
35 regulation to the contrary, including but not limited to sections
36 2807 and 3614 of the public health law, section 18 of chapter 2 of
37 the laws of 1988, and 18 NYCRR 505.14(h).

38 The department of health shall prepare a quarterly report that sets
39 forth: (a) known and projected department of health medicaid
40 expenditures as described in subdivision (1) of this section, and
41 factors that could result in medicaid disbursements for the relevant
42 state fiscal year to exceed the projected department of health state
43 funds disbursements in the enacted budget financial plan pursuant to
44 subdivision 3 of section 23 of the state finance law, including
45 spending increases or decreases due to: enrollment fluctuations,
46 rate changes, utilization changes, MRT investments, and shift of
47 beneficiaries to managed care; and variations in offline medicaid
48 payments; and (b) the actions taken to implement any medicaid
49 savings allocation adjustment implemented pursuant to subdivision
50 (4) of this section, including information concerning the impact of
51 such actions on each category of service and each geographic region
52 of the state. Each such quarterly report shall be provided to the
53 chairs of the senate finance and the assembly ways and means
54 committees and shall be posted on the department of health's website
55 in a timely manner.

57 heretofore and hereafter accrued and shall be available to the
58 department net of disallowances, refunds, reimbursements, and

5 The appropriation made by chapter 53, section 1, of the laws of 2023, is
6 hereby amended and reappropriated to read:

7 Notwithstanding section 40 of the state finance law or any other law
8 to the contrary, all medical assistance appropriations made from
9 this account shall remain in full force and effect in accordance, in
10 the aggregate, with the following schedule: not more than 50
11 percent for the period April 1, 2023 to March 31, 2024; and the
12 remaining amount for the period April 1, 2024 to [March 31]
13 September 15, 2025.

14 Notwithstanding section 40 of the state finance law or any provision
15 of law to the contrary, subject to federal approval, department of
16 health state funds medicaid spending, excluding payments for medical
17 services provided at state facilities operated by the office of
18 mental health, the office for people with developmental disabilities
19 and the office of addiction services and supports and further
20 excluding any payments which are not appropriated within the
21 department of health, in the aggregate, for the period April 1,
22 2023 through March 31, 2024, shall not exceed \$28,109,771,000 except
23 as provided below and state share medicaid spending, in the
24 aggregate, for the period April 1, 2024 through [March 31]September
25 15, 2025, shall not exceed [~~\$31,020,880,000~~]\$31,284,010,000, but in
26 no event shall department of health state funds medicaid spending
27 for the period April 1, 2023 through [March 31] September 15, 2025
28 exceed [~~\$59,130,651,000~~]\$59,393,781,000 provided, however, such
29 aggregate limits may be adjusted by the director of the budget to
30 account for any changes in the New York state federal medical
31 assistance percentage amount established pursuant to the federal
32 social security act, increases in provider revenues, reductions in
33 local social services district payments for medical assistance
34 administration, minimum wage increases and beginning April 1, 2012
35 the operational costs of the New York state medical indemnity fund,
36 pursuant to chapter 59 of the laws of 2011, and state costs or
37 savings from the essential plan program. Such projections may be
38 adjusted by the director of the budget to account for increased or
39 expedited department of health state funds medicaid expenditures as
40 a result of a natural or other type of disaster, including a
41 governmental declaration of emergency.

42 The director of the budget, in consultation with the commissioner of
43 health, shall assess on a quarterly basis known and projected
44 medicaid expenditures by category of service and by geographic
45 region, as determined by the commissioner of health, incurred both
46 prior to and subsequent to such assessment for each such period, and
47 if the director of the budget determines that such expenditures are
48 expected to cause medicaid spending for such period to exceed the
49 aggregate limit specified herein for such period, the state medicaid
50 director, in consultation with the director of the budget and the
51 commissioner of health, shall develop a medicaid savings allocation
52 adjustment to limit such spending to the aggregate limit specified
53 herein for such period.

54 Such medicaid savings allocation adjustment shall be designed, to
55 reduce the expenditures authorized by the appropriations herein in
56 compliance with the following guidelines: (1) reductions shall be
57 made in compliance with applicable federal law, including the
58 provisions of the Patient Protection and Affordable Care Act, Public
59 Law No. 111-148, and the Health Care and Education Reconciliation
60 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
61 Act") and any subsequent amendments thereto or regulations
62 promulgated thereunder; (2) reductions shall be made in a manner

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 that complies with the state medicaid plan approved by the federal
2 centers for medicare and medicaid services, provided, however, that
3 the commissioner of health is authorized to submit any state plan
4 amendment or seek other federal approval, including waiver
5 authority, to implement the provisions of the medicaid savings
6 allocation adjustment that meets the other criteria set forth
7 herein; (3) reductions shall be made in a manner that maximizes
8 federal financial participation, to the extent practicable,
9 including any federal financial participation that is available or
10 is reasonably expected to become available, in the discretion of the
11 commissioner, under the Affordable Care Act; (4) reductions shall be
12 made uniformly among categories of services and geographic regions
13 of the state, to the extent practicable, and shall be made uniformly
14 within a category of service, to the extent practicable, except
15 where the commissioner determines that there are sufficient grounds
16 for non-uniformity, including but not limited to: the extent to
17 which specific categories of services contributed to department of
18 health medicaid state funds spending in excess of the limits
19 specified herein; the need to maintain safety net services in
20 underserved communities; or the potential benefits of pursuing
21 innovative payment models contemplated by the Affordable Care Act,
22 in which case such grounds shall be set forth in the medicaid
23 savings allocation adjustment; and (5) reductions shall be made in a
24 manner that does not unnecessarily create administrative burdens to
25 medicaid applicants and recipients or providers.

26 The commissioner shall seek the input of the legislature, as well as
27 organizations representing health care providers, consumers,
28 businesses, workers, health insurers, and others with relevant
29 expertise, in developing such medicaid savings allocation
30 adjustment, to the extent that all or part of such adjustment, in
31 the discretion of the commissioner, is likely to have a material
32 impact on the overall medicaid program, particular categories of
33 service or particular geographic regions of the state.

34 (a) The commissioner shall post the medicaid savings allocation
35 adjustment on the department of health's website and shall provide
36 written copies of such plan to the chairs of the senate finance and
37 the assembly ways and means committees at least 30 days before the
38 date on which implementation is expected to begin.

39 (b) The commissioner may revise the medicaid savings allocation
40 adjustment subsequent to the provisions of notice and prior to
41 implementation but needs to provide a new notice pursuant to
42 subparagraph (i) of this paragraph only if the commissioner
43 determines, in his or her discretion, that such revisions materially
44 alter the plan.

45 Notwithstanding the provisions of paragraphs (a) and (b) of this
46 subdivision, the commissioner need not seek the input described in
47 paragraph (a) of this subdivision or provide notice pursuant to
48 paragraph (b) of this subdivision if, in the discretion of the
49 commissioner, expedited development and implementation of a medicaid
50 savings allocation adjustment is necessary due to a public health
51 emergency.

52 For purposes of this section, a public health emergency is defined
53 as: (i) a disaster, natural or otherwise, that significantly
54 increases the immediate need for health care personnel in an area of
55 the state; (ii) an event or condition that creates a widespread risk
56 of exposure to a serious communicable disease, or the potential for
57 such widespread risk of exposure; or (iii) any other event or
58 condition determined by the commissioner to constitute an imminent
59 threat to public health.

60 Nothing in this paragraph shall be deemed to prevent all or part of
61 such medicaid savings allocation adjustment from taking effect

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 retroactively to the extent permitted by the federal centers for
2 medicare and medicaid services.

4 commissioner of the department of health shall reduce department of
5 health state funds medicaid spending by the amount of the projected
6 overspending through, actions including, but not limited to
7 modifying or suspending reimbursement methods, including but not
8 limited to all fees, premium levels and rates of payment,
9 notwithstanding any provision of law that sets a specific amount or
10 methodology for any such payments or rates of payment; modifying
11 medicaid program benefits; seeking all necessary federal approvals,
12 including, but not limited to waivers, waiver amendments; and
13 suspending time frames for notice, approval or certification of
14 rate requirements, notwithstanding any provision of law, rule or
15 regulation to the contrary, including but not limited to sections
16 2807 and 3614 of the public health law, section 18 of chapter 2 of
17 the laws of 1988, and 18 NYCRR 505.14(h).

18 The department of health shall prepare a quarterly report that sets
19 forth: (a) known and projected department of health medicaid expend-
20 itures as described in subdivision (1) of this section, and factors
21 that could result in medicaid disbursements for the relevant state
22 fiscal year to exceed the projected department of health state funds
23 disbursements in the enacted budget financial plan pursuant to
24 subdivision 3 of section 23 of the state finance law, including
25 spending increases or decreases due to: enrollment fluctuations,
26 rate changes, utilization changes, MRT investments, and shift of
27 beneficiaries to managed care; and variations in offline medicaid
28 payments; and (b) the actions taken to implement any medicaid
29 savings allocation adjustment implemented pursuant to subdivision
30 (4) of this section, including information concerning the impact of
31 such actions on each category of service and each geographic region
32 of the state. Each such quarterly report shall be provided to the
33 chairs of the senate finance and the assembly ways and means commit-
34 tees and shall be posted on the department of health's website in a
35 timely manner.

36 For the purpose of making payments to providers of medical care
37 pursuant to section 367-b of the social services law, and for
38 payment of state aid to municipalities where payment systems through
39 fiscal intermediaries are not operational, to reimburse such
40 providers for costs attributable to the provision of care to
41 patients eligible for medical assistance. Payments from this
42 appropriation to general hospitals related to indigent care pursuant
43 to article 28 of the public health law respectively, when combined
44 with federal funds for services and expenses for the medical
45 assistance program pursuant to title XIX of the federal social
46 security act or its successor program, shall equal the amount of the
47 funds received related to health care reform act allowances and
48 surcharges pursuant to article 28 of the public health law and
49 deposited to this account less any such amounts withheld pursuant to
50 subdivision 21 of section 2807-c of the public health law.
51 Notwithstanding any inconsistent provision of law, the moneys hereby
52 appropriated may be increased or decreased by interchange or

54 approval of the director of the budget, who shall file such approval
55 with the department of audit and control and copies thereof with the

7 shall department of health state funds medicaid spending for the
8 period April 1, 2023 through [March 31] September 15, 2025 exceed
9 [\$59,130,651,000] \$59,393,781,000 provided, however, such aggregate
10 limits may be adjusted by the director of the budget to account for
11 any changes in the New York state federal medical assistance
12 percentage amount established pursuant to the federal social securi-
13 ty act, increases in provider revenues, reductions in local social
14 services district payments for medical assistance administration,
15 minimum wage increases and beginning April 1, 2012 the operational
16 costs of the New York state medical indemnity fund, pursuant to
17 chapter 59 of the laws of 2011, and state costs or savings from the
18 essential plan. Such projections may be adjusted by the director of
19 the budget to account for increased or expedited department of
20 health state funds medicaid expenditures as a result of a natural or
21 other type of disaster, including a governmental declaration of
22 emergency.

23 The director of the budget, in consultation with the commissioner of
24 health, shall assess on a quarterly basis known and projected
25 medicaid expenditures by category of service and by geographic
26 region, as determined by the commissioner of health, incurred both
27 prior to and subsequent to such assessment for each such period, and
28 if the director of the budget determines that such expenditures are
29 expected to cause medicaid spending for such period to exceed the
30 aggregate limit specified herein for such period, the state medicaid
31 director, in consultation with the director of the budget and the
32 commissioner of health, shall develop a medicaid savings allocation
33 adjustment to limit such spending to the aggregate limit specified
34 herein for such period.

35 Such medicaid savings allocation adjustment shall be designed, to
36 reduce the expenditures authorized by the appropriations herein in
37 compliance with the following guidelines: (1) reductions shall be
38 made in compliance with applicable federal law, including the
39 provisions of the Patient Protection and Affordable Care Act, Public
40 Law No. 111-148, and the Health Care and Education Reconciliation
41 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
42 Act") and any subsequent amendments thereto or regulations
43 promulgated thereunder; (2) reductions shall be made in a manner
44 that complies with the state medicaid plan approved by the federal
45 centers for medicare and medicaid services, provided, however, that
46 the commissioner of health is authorized to submit any state plan
47 amendment or seek other federal approval, including waiver
48 authority, to implement the provisions of the medicaid savings
49 allocation adjustment that meets the other criteria set forth
50 herein; (3) reductions shall be made in a manner that maximizes
51 federal financial participation, to the extent practicable,
52 including any federal financial participation that is available or
53 is reasonably expected to become available, in the discretion of the
54 commissioner, under the Affordable Care Act; (4) reductions shall be
55 made uniformly among categories of services and geographic regions
56 of the state, to the extent practicable, and shall be made uniformly
57 within a category of service, to the extent practicable, except
58 where the commissioner determines that there are sufficient grounds
59 for non-uniformity, including but not limited to: the extent to
60 which specific categories of services contributed to department of
61 health medicaid state funds spending in excess of the limits
62 specified herein; the need to maintain safety net services in

1 underserved communities; or the potential benefits of pursuing
2 innovative payment models contemplated by the Affordable Care Act,
3 in which case such grounds shall be set forth in the medicaid
4 savings allocation adjustment; and (5) reductions shall be made in a
5 manner that does not unnecessarily create administrative burdens to
6 medicaid applicants and recipients or providers.

7 The commissioner shall seek the input of the legislature, as well as
8 organizations representing health care providers, consumers,
9 businesses, workers, health insurers, and others with relevant
10 expertise, in developing such medicaid savings allocation
11 adjustment, to the extent that all or part of such adjustment, in
12 the discretion of the commissioner, is likely to have a material
13 impact on the overall medicaid program, particular categories of
14 service or particular geographic regions of the state.

15 (a) The commissioner shall post the medicaid savings allocation
16 adjustment on the department of health's website and shall provide

20 (b) The commissioner may revise the medicaid savings allocation
21 adjustment subsequent to the provisions of notice and prior to
22 implementation but needs to provide a new notice pursuant to subpar-
23 agraph (i) of this paragraph only if the commissioner determines, in
24 his or her discretion, that such revisions materially alter the
25 plan.

26 Notwithstanding the provisions of paragraphs (a) and (b) of this
27 subdivision, the commissioner need not seek the input described in
28 paragraph (a) of this subdivision or provide notice pursuant to
29 paragraph (b) of this subdivision if, in the discretion of the
30 commissioner, expedited development and implementation of a medicaid
31 savings allocation adjustment is necessary due to a public health
32 emergency.

33 For purposes of this section, a public health emergency is defined as:
34 (i) a disaster, natural or otherwise, that significantly increases
35 the immediate need for health care personnel in an area of the
36 state; (ii) an event or condition that creates a widespread risk of
37 exposure to a serious communicable disease, or the potential for
38 such widespread risk of exposure; or (iii) any other event or
39 condition determined by the commissioner to constitute an imminent
40 threat to public health.

41 Nothing in this paragraph shall be deemed to prevent all or part of
42 such medicaid savings allocation adjustment from taking effect
43 retroactively to the extent permitted by the federal centers for
44 medicare and medicaid services.

45 In accordance with the medicaid savings allocation adjustment, the
46 commissioner of the department of health shall reduce department of
47 health state funds medicaid spending by the amount of the projected
48 overspending through, actions including, but not limited to
49 modifying or suspending reimbursement methods, including but not
50 limited to all fees, premium levels and rates of payment,
51 notwithstanding any provision of law that sets a specific amount or
52 methodology for any such payments or rates of payment; modifying
53 medicaid program benefits; seeking all necessary federal approvals,
54 including, but not limited to waivers, waiver amendments; and
55 suspending time frames for notice, approval or certification of rate
56 requirements, notwithstanding any provision of law, rule or

58 2807 and 3614 of the public health law, section 18 of chapter 2 of
59 the laws of 1988, and 18 NYCRR 505.14(h).

60 The department of health shall prepare a quarterly report that sets

Local Assistance Account - 10000

By chapter 53, section 1, of the laws of 2023:

For payment, net of disallowances, of state financial assistance in accordance with the mental hygiene law related to treatment services.

Notwithstanding any other provisions of law, no payment shall be made from this appropriation until the recipient agency has demonstrated that it has applied for and received, or received formal notification of refusal of, all forms of third-party reimbursement, including federal aid and patient fees. The moneys hereby appropriated are available to reimburse or advance to localities and voluntary nonprofit agencies for expenditures heretofore accrued or hereafter to accrue during local fiscal periods commencing January 1, 2023 or July 1, 2023 and for advances for the period beginning January 1, 2024.

The commissioner, pursuant to such contract and/or funding authorization letter, may pay from this appropriation all or a portion of the expenses incurred by such voluntary agencies arising out of loans obtained from the proceeds of bonds and notes issued by the dormitory authority of the state of New York or another authorized entity approved by the division of the budget. Such expenses may include, but shall not be limited to, amounts relating to principal and interest and any other fees and charges arising from such loans.

Notwithstanding any other provision of law, subject to the approval of the director of the budget, a portion of the money appropriated herein may be made available for obligations and payments heretofore or hereafter accrued by the department of health for community alcoholism, chemical dependence, and substance abuse treatment services, including the state share of medical assistance payments.

Notwithstanding any inconsistent provisions of law, moneys from this appropriation may be used for expenses of localities, nonprofit and for-profit agencies that may arise from the assumption of operational responsibilities for programs when operating certificates for such programs cease to be in effect and/or programs are placed into receivership pursuant to section 19.41 of the mental hygiene law.
