Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the retirement and social security law, in relation to participation by free association libraries in the New York state and local employees' retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding  
2 a new section 31-g to read as follows:

3 § 31-g. Participation by free association libraries. A free associ-  
4 ation library as defined in section two hundred fifty-three of the  
5 education law and which meets the criteria set forth in this section,  
6 may by resolution adopted as provided in section seven hundred eight of  
7 the not-for-profit corporation law by its board of trustees and subject  
8 to the approval of the comptroller, elect to participate in the retire-  
9 ment system. Acceptance of its employees for membership in the retire-  
10 ment system shall be mandatory with the comptroller, who shall determine  
11 the amounts of contribution payable by such library and its employees,  
12 shall resolve questions of credit for prior service, and shall in all  
13 other respects assure that such employees share the same rights, obli-  
14 gations and benefits as other members of the retirement system. A free  
15 association library shall be eligible to join the retirement system  
16 under the following conditions:

17 (a) such library shall be chartered by the state board of regents;

18 (b) such library shall serve the entire population of its chartered  
19 service area;

20 (c) the board of trustees of such library shall be elected by the  
21 voters of its chartered service area;

22 (d) such library's budget shall be approved by the voters of its char-  
23 tered service area;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD03853-02-3

1 (e) at least fifty-one percent of such library's budget shall derive  
 2 from public sources; and  
 3 (f) such library shall file the annual report with the comptroller as  
 4 required of public libraries by section thirty of the general municipal  
 5 law.

6 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit any free association public library which meets certain specific criteria to elect participation in the New York State and Local Employees' Retirement System (NYSLERS).

If this bill is enacted during the 2023 legislative session, and an eligible corporation elects participation, the future annual cost would depend on the retirement plan adopted and the billable salary of the electing corporation.

As a percentage of payroll, we anticipate that the annual contributions of the affected corporation for the fiscal year ending March 31, 2024, will be as follows:

Tier	Rate
1	9.8% to 19.7%
2	9.1% to 18.0%
3	14.8%
4	14.8%
5	12.8%
6	9.4%

In addition to the annual contributions discussed above, there will be a deficiency cost to the affected corporation which will be payable for a 25-year period. This cost will depend on the age, service, salary, tier status and plan of the affected employees.

Internal Revenue Service (IRS) plan qualification issues: permitting participation of non-governmental employees in the NYSLERS could jeopardize the Retirement System's governmental plan status and its exemption from ERISA. This development could result in the loss of qualified status, which would mean the loss of tax benefits. This result would substantially impair the System's value to our more than one million participants.

Prior to the enactment of this legislation, we recommend that a favorable ruling be obtained from the IRS stating that these provisions would not harm the qualification status of the System. It is estimated that the costs to obtain such a ruling would be \$28,000 for the services of the IRS, and \$800 per hour for legal consultants
